NARRATIVE

On 06/29/2017, at approximately 0122 hours, I responded to assist Officer Sahnice and Officer Harger, who had been involved in a vehicle pursuit. Officers were now searching for the subject on foot in the area of West 6th Street and McElheny Road. I assisted with a perimeter of this location during the search for the suspect. The suspect was later located on McElheny Road. See Officer Harger's supplemental report for further information.

I responded to West 6th Street and McElheny Road, where the vehicle pursuit had ended. Corporal Mortimer requested I recover the vehicle. I took photographs of the vehicle at the scene. I stood by and waited for A & M Towing to respond to the scene to tow and store the vehicle. Officer Sahnice had already had Dispatch attempt to contact the victim and had already confirmed the vehicle to be stolen with San Francisco PD. I had Dispatch remove the vehicle from SVS as stolen and enter the vehicle in SVS as stored by A & M Towing.

See Officer Sahnice's report for further information.

I took no further action

Officer R. White # 4190
